MYSORE CITY MUNICIPALITY.

NOTICE.

For removal of street rubbish and night-soil in Mysore City for 1910-11.

1. Notice is hereby given that sealed tenders for the exclusive privilege of removing both street rubbish from dust-bins and other collections and of night-soil from private and public latrines, or of each, separately in Mysore City, for eleven months beginning with 1st August 1910 and ending with 30th June 1911, are invited by the President, City Municipality, Mysore.

2. Tenders will be received up to Friday the 15th July 1910 at the Health Office, Mysore.

3. Tenders are to be superscribed "Tenders for the removal of street rubbish and night-soil (or one of them as the tenderer chooses) in the City Municipality, Mysore."

4. No tenders will be received unless accompanied by a deposit of Rs. 100 in cash or currency notes, which will be returned in case of those whose tenders are not accepted.

5. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or infringes its conditions.

6. The contractor must furnish his own bulls, carts and drivers, which should be approved by the Health Officer.

7. The President reserves to himself the right of accepting or rejecting any tender without assigning reasons for doing so.

8. Particulars will be supplied on application to the Health Officer, Mysore City, in person or writing.

V. L MANKER,
For *President*.

PALACE DIVISION.

Notice dated 31*st May* 1910.

1. It is hereby notified that the following articles are available for sale in the Stores of the Executive Engineer, Palace Division, and tenders for their purchase will be received up to 30th June 1910.

2. The final acceptance of any tender rests with the Chief Engineer.

3. The successful tenderer should take delivery of the articles within a week from the date of intimation of the acceptance of the tender and should pay the whole cost of the articles before removing them from the Stores.

(1) Twenty-five copper sheets of $\frac{1}{8}$" thick weighing in all about $20\frac{3}{4}$ cwts.
(2) Copper pieces do do 9 cwts.

C. MADAVA RAO,
Executive Engineer.

CHITALDRUG DIVISION.

Dated 16*th June* 1910.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Chitaldrug Division, up to 10th July 1910, for constructing an additional building in the compound of the Anglo-Vernacular School at Chitaldrug. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of February 1911.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Chitaldrug between the hours of 11 A.M. and 5 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing an additional building in the compound of the Anglo-Vernacular School at Chitaldrug," in default of which tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, Northern Circle, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Constructing a new additional building in the compound of the Anglo-Vernacular School at Chitaldrug.
